Dear Sir,

We sincerely thank and appreciate PDPC for its efforts in designing and executing "Refresher Course on Engineering Drawing" for our B. Sc and DME employees. Total 8 batches were conducted over a span of six months covering around 170 employees

Your faculties were able to instill the interest among the employees and they also rated the programmes as "Very Good to Excellent" for both content and delivery. The course material was nicely designed to fulfill our specific requirements.

Thanking you.

For Kirloskar Pneumatic Co. Ltd.

(R A Shinde)
Vice President - HR
