Dear Mrs. Saranga Pophale

Sub : Training session for our Associates by your team

This refers to the discussion you had with me regarding the conducting the training sessions for our Associates at Don Bosco Institute.

Your team has successfully taken sessions for our Associates for five batches so far since Jan 2010 & currently conducting sessions for 3 batches. Your team is taking sessions for 15 topics in the area of basic engineering.

We are happy with the delivery of the sessions by your team.

Thanking you,

S V Bagwe
